Often we rely on Google to provide us with information on almost any topic. Jesus provides us amazing guidance through His written word. He demonstrates that everything that happens to us or situation we can find ourselves in, we can "Bible" that. We must remember that God built His word for us as a guide for any situation we can possibly find ourselves in. **Psalms 119:105** tells us that Thy word is a lamp unto my feet, and a light unto my path.

It reveals the author of the Bible, who He is, His character, His nature, What He loves and hates, His plans for the future, His purposes, past history of His dealings with people, guideline for healthy living, works of the demonic forces, glimpses of heaven, reality of hell, moral issues, how to care for the land, science, how to handle relationships, how to handle those who hurt you, how to solve depression and many more.

In the Bible God explains how to worship Him, its value and importance in your daily living. Shows you how to live a purposeful and successful life here on earth and what you have to do to attract His Presence. His Word is seed. In order to reap the harvest of His promises you have to sow His seed in you. Your worship and intimacy with God is largely dependant on by His revelation of Himself to your heart.

The author of the Bible says that His Word is flawless and eternal.

He explains in **Isaiah 55**, that just as the rain and snow come down from heaven and do not return to it without watering the earth and making it bud and flourish so that it yields seed for the sower and bread for the eater, so is His Word that goes out from His mouth, it will not return to Him empty but will accomplish what He desires and achieves the purpose for which He sent it.

The same God who authored the Book will preserve it. **All** scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be equipped for every good work (**2 Timothy 3:16-17**). You cannot submit to Jesus' Lordship without submitting to God and His Word, the Bible as the ultimate authority and source of guidance on everything. So instead of Googling for guidance, lets make sure we are first "Bibling".
